

2-METRE DOME

Inner-sheet's Development
Scale: 1/30

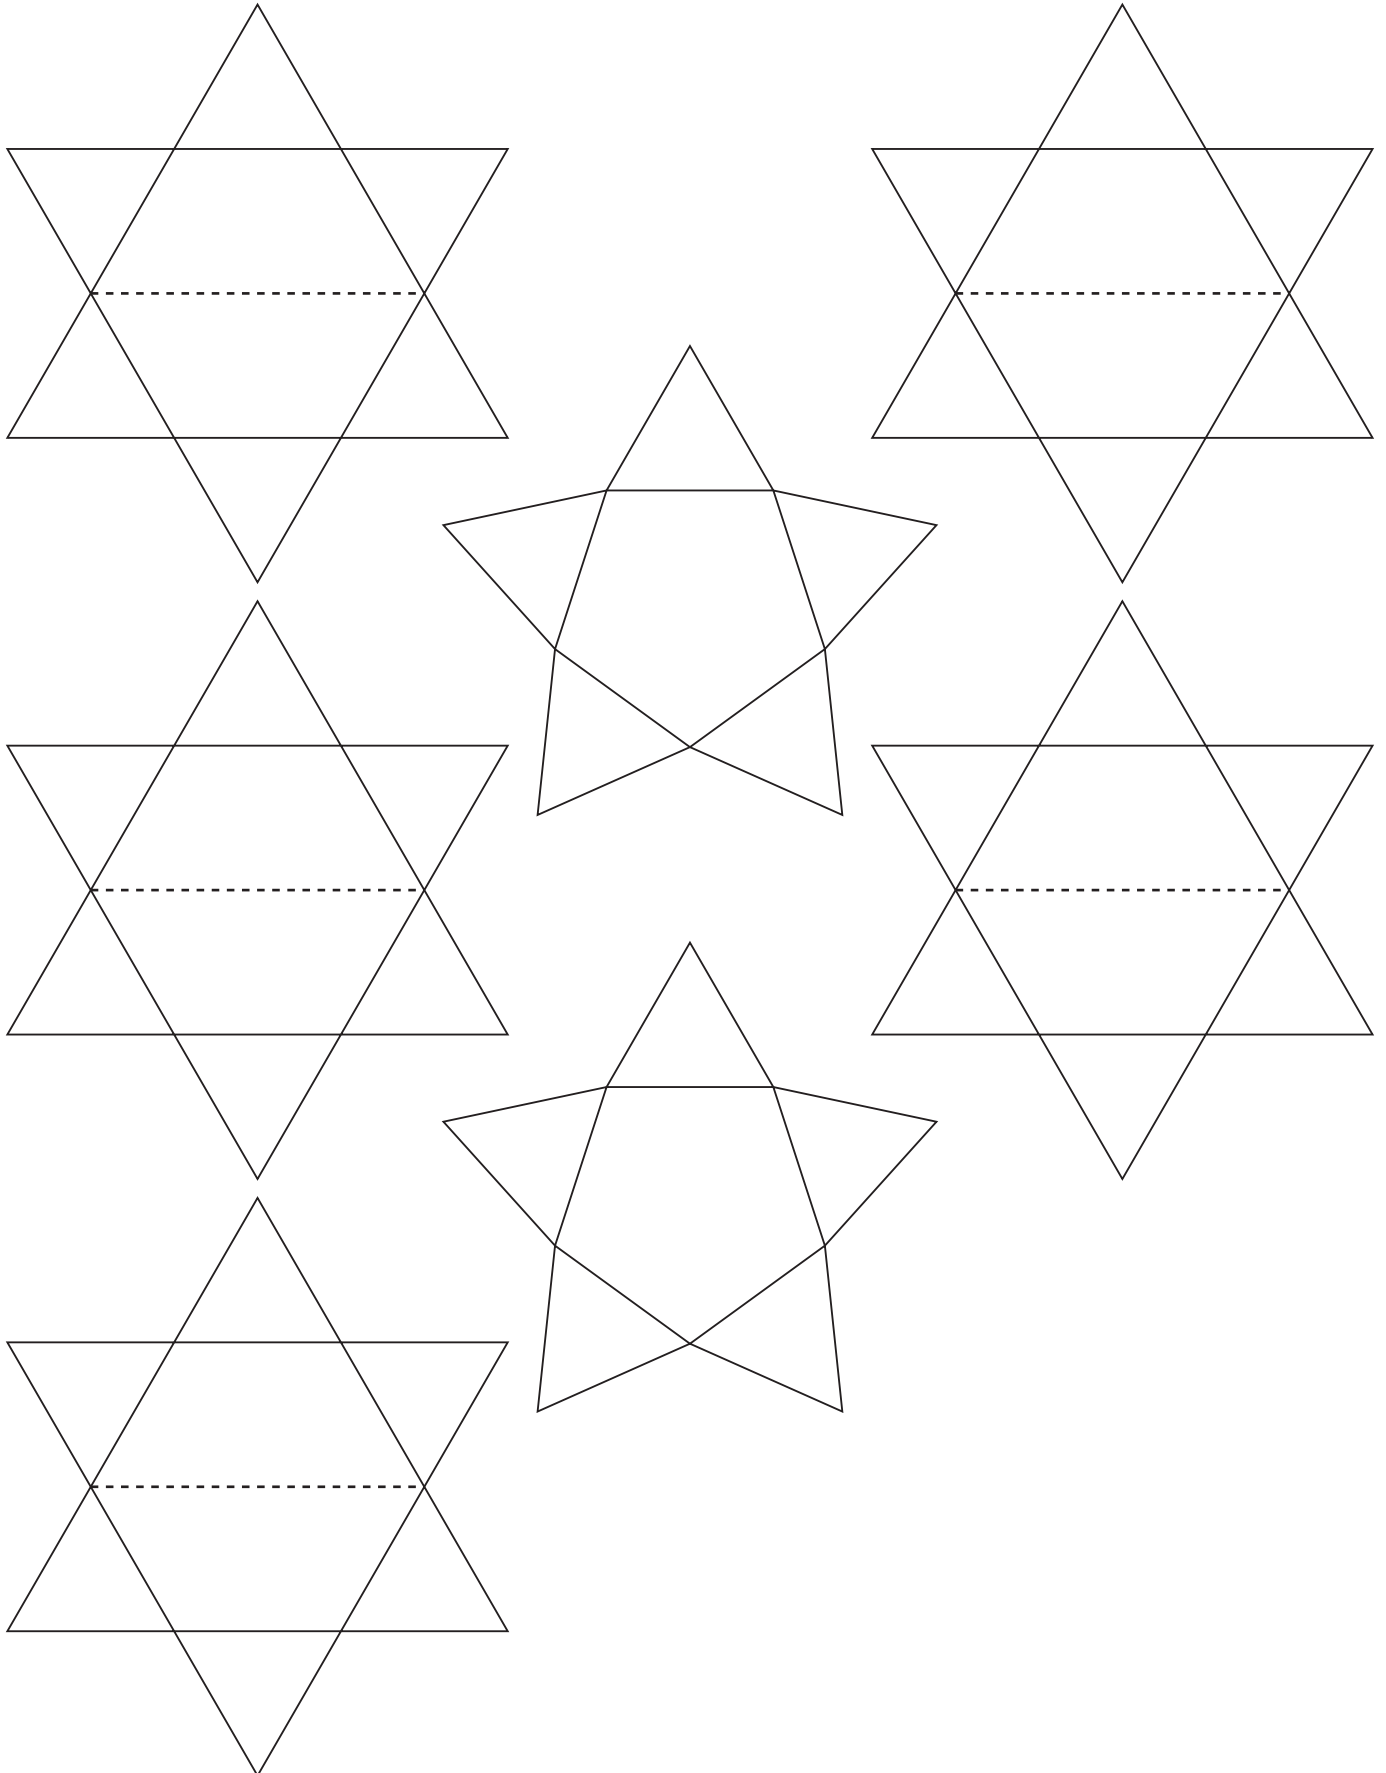

SPECIFICATIONS

HEIGHT 211cm
WIDE 394cm×394cm
CAPACITY 8 people
POLE 12 poles

A true The North Face icon, the 2 Metre Dome set a new standard in basecamp tents when it was launched in 1975. Its ground-breaking geodesic design optimises both space and strength. This version is true to the original in all but size.
